Dear Supporter of Boardman Athletics,

**The Boardman Booster Club's membership drive is under way and it's time to renew your membership for the 2019 year!** The Boardman Booster Club relies on the yearly membership fees to help support our mission and the student athletes of the Boardman Local Schools. Thank you in advance for your great response to this effort. It is through the continued support within our community that we are able to reach our goals. 2018's membership drive was another successful one with nearly 300 members joining.

## What is the Boardman Booster Club?

The Boardman Booster Club is an independent, registered 501(c) (3) non-profit organization comprised of volunteer parents, coaches, faculty, alumni, and community members who are dedicated to providing additional resources to the athletic programs of the Boardman Local School District. We strongly believe that interscholastic athletics is an integral part of a well-rounded education and that the positive publicity brought to the school by these programs helps create a better overall learning environment as well as a source of community spirit and pride. All proceeds of our membership drive help meet needs of the athletic programs that cannot be funded through the operating budget of the School District. All membership funds are used to purchase equipment, supplies, and make capital improvements that enhance the Boardman Local School District's athletic programs.

## Past Contributions to the Boardman Schools and Athletics

The Boardman Booster Club has been involved with supporting and promoting Boardman students for over 50 years. In grades 7-12 the Boardman Schools offer participation in 24 sports, consisting of 50+ athletic teams, with over one thousand boys and girls participating each year. Below is a listing of some examples of the ways we've given back:

- With Rotary raised \$275,000 for Sports Complex
- Annual scholarships (2) of \$1,000 each

As you can see by the list above, we are totally committed to the young people of our community.
