Dear Business Patron,

Thank you for your interest in Boardman High School and our Gymnasium Scoreboard Sponsorship program. Your continued support enables us to provide a high-quality program which benefits so many dedicated student athletes.

Boardman High School sporting and school events are an excellent forum to deliver your message and promote your business. Thousands of students, parents, family members and friends attend games and other events at our facilities every year.

We are proud of our student-athletes who continue to grow into model citizens in our community. These students and their families are often your most frequent customers. All sponsorship dollars directly support Boardman Athletics.
